

The Adventures of Captain Kirk "The Alchemists" Part 2 continued

The alchemist has taken refuge in the city with Edda who plans to poison the inhabitants during the cassoulet festival in order to create chaos to prepare their disastrous project.

In the kitchen where the cassoulet is simmering, taking advantage of the absence of the cooks, an expert hand pours the toxic contents of a flask into the pot.

Hmmm! that makes me want, I'm going to go straight to the rue du fer butcher's shop and have them a take away cassoulet.

The cook and his returning clerk are busy preparing the pots to serve the impatient crowd.

- prepare two jars and deliver them to the rue du fer butcher's shop, hurry.

- Is something going on?

- No, Edda just went out to buy some cassoulet.

- hmm, nothing will happen tonight, let's go immediately to Fontfroide to eat cassoulet like every year.

At the same time at the city gate

- You're sure these camouflage wigs will work.

- Absolutely Batman, you are unrecognizable.

In the city, a compact and colorful crowd circulates from all sides.

Batman and spiderman take full advantage of the spectacle offered by jugglers and other artists.

However, they must continue their investigation.

- What are you doing ?

- I watch the butcher cutting, I like animals.

SSuddenly they stop stunned.

- it is the symbol of the Alchemist!

- exact Batman, we have a pure chance.
