

Captain Kirk's adventures " the return " P1

Batman and Spiderman during the Professor's retreat inspect the worlds of Carcassonne.

--This thing looks like you, Batman.

-I don't know what Spiderman is, but I think we need to get the teacher out of retirement urgently!

Meanwhile in the basement of Carcassonne

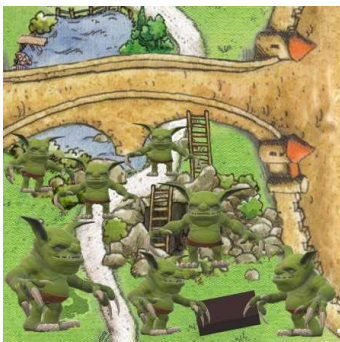

**Translated Gnome language*

-It's a beautiful Grimoire, it must be valuable!

-Let's go sell it to the medical monks, they'll pay us in gold!

-come see, come on, come on, everyone, they found something.

-Where did you find this?

-In a well under the city, the medical monks will surely be takers.

At nightfall, our two gnomes enter the city to go to the monks and negotiate their loot.

-Your grimoire is remarkable, follow me we are going to see the great treasurer so that he will pay you in gold as appropriate.

-Come on, my friends, I'll take you to the vault room, please go first.
