

The adventures of Captain Kirk "special high seas" P1

The Professor is back at the base, despite the damage caused by Edgard who threw a dragon egg into the cockpit taking him for his football. The Professor is furious, but he wants to see as soon as he gets off the distressed aircraft Batman and Spiderman.

-Ah! Batman, I see you're feeling better! I mean, three eggs at once is not reasonable, Edgard told me everything.
 -I think it was the M&Ms I added that hurt me, Be-Bop-A-Lula.
 -M&Ms?
 -Yes, a gift from a musician during the Stonestok festival, Be-Bop-A-Lula...
 -Hum! Good! Well, that's it, I wanted to see you because we're going on an immediate mission. I am confident that we will find a solution for Captain Kirk. And that's where he sank that we'll find her.

-It's a very strange ship, Professor, Be-Bop-A-Lula!
 - Indeed, it is the flying submarine of my grandfather, Captain Nemo. It is rustic but strong. Good! Good! Hmm! Good. We will soon be flying over the high seas and an ally is waiting for us. He will be precious to us to carry out our task: he is the famous Captain Croustade, thanks to his equipment you will go scuba diving, my friends.

-There's Captain Croustade's ship! Get ready, we're going to land. Tell me, Spiderman, when are you going to remove your horrible strips?
 -Soon to be Professor!
 -It's a nice name Croustade, Be-Bop-A-Lula.
 -What is it with you Batman that you always say Be-Bop-Machin Thing? Look at my friends, we see whales! I'm going to go over it.

-It's beautiful, I want a huge tuna salad, Be-Bop-A-Lula.
 -Where is this whale?
 -Left, turn your head, Be-Bop-A-Lula.
 -Are you sure you're all right, Batman?

Meanwhile, in the distant worlds of Carcassonne, there is a horrible plot going on.

Vlad, recovered from his burns, joined Belphegor, who explained his project to him.

-Blablabla Professor Blablabla friend of Tutankhamun and Big Bald Mouse Blablabla, contract on the 3.

-Blabla OK, where are they?

-In the high seas worlds of Carcassonne!

Belphegor convinced Vlad to eliminate the Professor, Tutankhamun and Batman, aboard his powerful ship, he took off in a hurry towards the marine worlds of Carcassonne.

Belphegor is already enjoying his revenge by purring in front of Vlad's ship as it takes off.

Our friends are in danger! Vlad and Belphegor will come to an end?
